In the beginning God created the heaven and the **earth.**

GENESIS 1:1

The grace of our Lord Jesus Christ be with you all. **Amen.**

REVELATION 22:21

🔑 “Amen” = *77* mentions (case sensitive)

Without case sensitivity, “Amen” = *78* mentions (there is one lowercase mention of “amen” in Numbers 5:22). And without case sensitivity, the first and last words of the first and last verses would produce *77,780* mentions, (closely reflecting the *78* mentions of Amen/amen). But when we turn case sensitivity on for “Amen” we get the total of *77* mentions, and applying that case sensitive logic congruently to “earth” (the last word of Genesis 1:1), unlocks the grand total of *77,777* mentions for the entire Bible.
